QUALIFICATION IN CRITICAL CARE NURSING (GENERAL)

**UNIVERSITY OF
THE ORANGE FREE STATE
FACULTY OF HEALTH SCIENCES
SCHOOL OF NURSING
1969 – 1999**

AIM OF SPECIALITY COURSE

The one-year programme in General Critical Care enriches the Registered Nurse with advanced clinical and technological skills to function as a clinical Nurse specialist within the environment of a critical care unit. This advanced nursing will take place within the scope of professional ethical norms and legality.

The practical part of the diploma in critical care nursing has been developed to equip the critical care nurse with critical care related skills to enable him/her to take legal responsibility and to deliver reliable and safe nursing care in the critical care unit.

ADMISSION REQUIREMENTS

Local applicants

Genetic degree or diploma in nursing and registration with the SA Nursing Council as a general nurse.

At least six months experience as a registered nurse in any type of critical care unit (not synonymous with high care) are recommended.

If these admission requirements cannot be met, students may apply on the grounds of previous experience and prior learning. The UOFS reserves the right to request or obtain information before admission or during training in order to determine where students are adequately equipped to meet the demands of the program.

Foreign applicants

The requirements above apply, except that applicants must apply in advance to the SA Nursing Council for temporary registration...

DURATION OF COURSE

The course extends over one academic year equal to 44 weeks. The minimum duration is two semesters. After completing 130 credits the student will be awarded the Advanced University Diploma in Critical Care Nursing and registration with the SA Nursing Council.

During the course of the programme proof must be provided of practical working experience of at least 960 hours in a variety of critical care units as identified by the course coordinator.

CONTACT SESSIONS

Orientation

First Friday in February

Fundamental modules

All the fundamental modules will be presented on five Wednesdays during the first semester.

Core modules

Every Wednesday during UOFS semesters, starting the third week of January. If the fundamental modules take up Wednesdays, contact sessions for core modules will take place on Fridays.

TEACHING AND LEARNING METHODS

Workshops will be held on the different practical skills.

A workplace will be filled in, as proof of the skills the student mastered in the presence of a registered ICP nurse.

Students will present a case in each unit in which they work.

CENTRES

The various centres where specialised courses will be presented, are indicated in the general information brochure.

WHAT is EBAS?

A scheme that

- Is funded by the ACP group and the European Commission designed to enhance the competitiveness of private sector enterprises in ACP countries.
- Provides grants of 50% towards the cost of expertise needed.
- Provides up to a maximum of EURO 70,000 per applicant.
- Aims at activating demand for, and supply of, specialised consultancy services.
- Also providing free advice on technical business matters to enterprises, by EBAS Regional Offices.
- Consultancy services shall be rapidly deliverable and practical, requiring no capital expenditure and resulting in short term benefits to the enterprise.

HOW does it work?

- EBAS works through a network controlled by a Brussels Office (the PMU), and four EBAS Regional Offices.
- EBAS is designed to provide, in the form of a grant, 50% of the costs of accessing business development services.
- EBAS will meet a maximum of 50%.
- The applicant must pay not less than one third of the total cost.
- The balance may be funded through other grants.
- Payment will be made progressively on the basis of documentary evidence of expenditure, during the life of the programme and according to agreed audit procedures.

WHO qualifies?

- All private enterprises in ACP countries and more particularly SME's in manufacturing and service enterprises.
- Intermediary organisations of ACP countries such as Chambers of Commerce and Producers Associations.
- Local providers of specialised business services, such as consultancy companies.

WHO does not qualify?

- Parastatal and government entities where the State holds a majority share interest.
- Associations fully funded through government or sources other than their members.

HOW do potential beneficiaries apply?

- The PMU Brussels Office, Website,, business associations and Relay points.
- The website: www.ebas.org
- Four EBAS Regional Offices:
- Nairobi (Kenya) - Eastern Africa and Indian Ocean.
- Abidjan (Cote d'Ivoire) - West and Central Africa.
- Gaborone (Botswana) - Southern Africa.
- Bridgetown (Barbados) - Caribbean.
- The Brussels Office covers the Pacific region.
- Enterprises fill out an APPLICATION FORM providing company details and describing services to be supported by an EBAS grant as well as expected outputs benefits.
- Applications will be approved by the ACP Group and the European Commission.

WHEN will the applicant receive an answer?

- Quick responding mechanism, thanks to an interactive website and Virtual Office on the Internet.
- 12 working days, maximum, for applications to be approved.
- Enterprises and Associations whose enterprises are turned down may appeal to an independent committee for a review.

WHICH kind of services can help you to improve your competitiveness?
